CHECK OUT OUR WEBSITES

In August, John Stagliano delivered the keynote speech at INTERNEXT SUMMER 2008, a convention of the online adult entertainment industry. The following article covering John's address was first published on AVN.com on August 10, 2008.

HOLLYWOOD, Fla. — Evil Angel/Evil Empire founder John Stagliano, who is currently facing a federal obscenity prosecution for sending two DVDs over state lines and airing a movie trailer on the company's website, took a humorous approach to his keynote address during Internext Summer 2008.

"When I was sitting in a courtroom in Washington, D.C., and they were reading off the charges and said, 'U.S. vs. John Stagliano,' I thought, Wow, that sounds good! Hey Ma, I made it!"

Stagliano took the time during his speech to touch on the five topics he said his attorneys don't want him to talk about in public:

"They're all perverts in Washington, D.C., anyway," he said of the first of the five topics. "Who are they to say I'm offending community standards when they have none to begin with?"

He talked of politicians being ousted for sexual misconduct in several instances — from having affairs with employees to attempting to solicit sex in men's bathrooms — and that he found it hypocritical that these were the people leading the charge against pornographers.

Others statements his lawyers advised him against making, he said, were, "Max Hardcore is the greatest performance artist ever"; "The asshole is the center of the universe"; "We come from another planet and we want to capture and rape your women"; and "My company really is the Evil Empire on a mission from Satan."

But there were some serious tones to the address as well, especially when he discussed the slippery slope of federal obscenity prosecutions. While the prosecutions currently tend to center on more extreme content, such as in the case of Hardcore, they will continue to the point where mainstream pornographic producers could be the next target, Stagliano warned.

"There's always the potential for any jury to be disgusted by what you produce and convict based on their gut, that disgust," he said.

It was that gut reaction, he said, that he believes led jurors to convict Hardcore on federal obscenity charges, though he noted that Hardcore's content is more extreme than his own. He said despite the defense proving that the distribution company for Hardcore mailed the movies without his knowledge and against his wishes, the jury members chose to convict on the content. He said he doubts his case will have the same outcome, however, since his content is more "middle of the road than Max's."

In his own case, Stagliano said, he believes he is being punished for the sin of "wanting to get off better and harder than ever before, and producing the content to make that happen." Known for the "Buttman" series of movies and the Fashionistas show in Las Vegas, as well as the movies of the same title, Stagliano is expected to appear in court again for his federal obscenity case on November 25.

Finally, A Vibrator That Values Communication

According to English newspaper *The Sun*, techies have invented a voice-activated vibrator. The sex toy reacts to commands from the user telling it to go faster, slower or harder. (Editor: How does a vibrator go "harder"?) Master masturbators can even personalize their commands by programming nine functions with their own keywords to get the gizmo going. It retails for £80 (approximately \$160, depending on how poorly the dollar is doing).

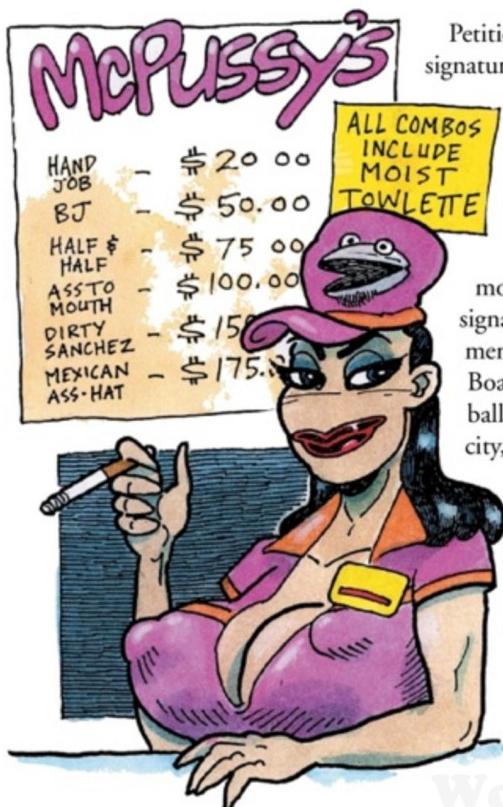

Monique Carty of **Onjoy.com**, which sells the specialty item in the UK, predicts it will be a big hit with frustrated females. She said, "Communication is the key to a healthy relationship, and there's no relationship healthier than that of a woman and her vibrator. The fact that she can now make demands and this can respond should have men worried. If they don't want to be made redundant, they need to sit up and listen."

Wow, communication? Perhaps male customers prefer sex toys that just shut up and fuck.

Decriminalizing The San Francisco Treat?

Petitioners have gathered enough signatures to put a measure on the

November 4, 2008 ballot which would decriminalize prostitution in San Francisco. The petition received a total of 12,763 signatures, about 5000 more than were needed. Three signatures came from sitting members of San Francisco's Board of Supervisors. The ballot measure states that the city, county and district attorney "shall not subject sex-workers to life long economic discrimination associated with having a criminal record." If passed by voters, the measure would ban the San Francisco Police Department from allocating any funds to investigate

and prosecute sex workers on prostitution charges, effective January 1, 2009.

Proponents of the measure say that it's needed because sex workers deserve equal protection under the law. Maxine Doogan, the founder of an erotic service provider's union in San Francisco, says that crimes against exotic dancers and prostitutes should be investigated and prosecuted by the Police Department. As long as prostitution itself is prosecuted, dancers and prostitutes are less likely to seek police help and conceivably less likely to receive it.

Furthermore, proponents of the measure want to stop alleged collusion between some local politicians and owners of popular nightclubs where dancers claim that sexual abuses have occurred. Many strippers are also prostitutes.

San Francisco District Attorney Kamala Harris was quick to criticize the proposed measure, saying that if it passed, prostitutes and pimps would have a welcome mat available to them in town. She didn't say what would be wrong with that...

Government Action!

Oklahoma: Former Custer County Sheriff Mike Burgess faces charges of managing a sex slave operation at the county jail. Burgess, who resigned as sheriff in April of 2008, faces 35 felony charges, including one count of kidnapping, two counts of sexual battery, seven counts of forcible oral sodomy and 14 counts of second-degree rape. Former female inmates have also filed a federal civil rights suit against Burgess, claiming he ran the sex slave ring.

Jennifer Taylor, the former sheriff's deputy, testified that Burgess groped her on three different occasions. She said she never officially reported the mistreatment for fear of losing her job. Taylor also testified to witnessing drug court participants in the sheriff's office with the lights off.

A prisoner alleged in court that in October, 2006, Burgess offered to cut her sentence in half and give her trustee status in exchange for sexual favors. The prisoner said Burgess exposed himself to her in his office. She testified that she knew she was there to pay her end of the bargain and have sex with him.

The court heard other allegations, including drugs offered to inmates by Burgess in exchange for exposing themselves. In one tearful testimony, a drug court participant said she performed sexual favors for Burgess on several occasions, claiming Burgess promised to keep her out of prison.

Burgess' defense attorneys said their client is innocent and eager to go to court to clear his name.

Confucius: It's OK To Meet Girl In Park, But Far Better To Park Meat In Girl...

But NEVER Park Meat In Bench!

On August 8, 2008, Hong Kong police received a disturbing call from a man in trouble.

Xing, a 41-year-old man, was calling from LanTian Park in the middle of the night. He had apparently thought it would be fun to have sex with one of the steel benches around the park.

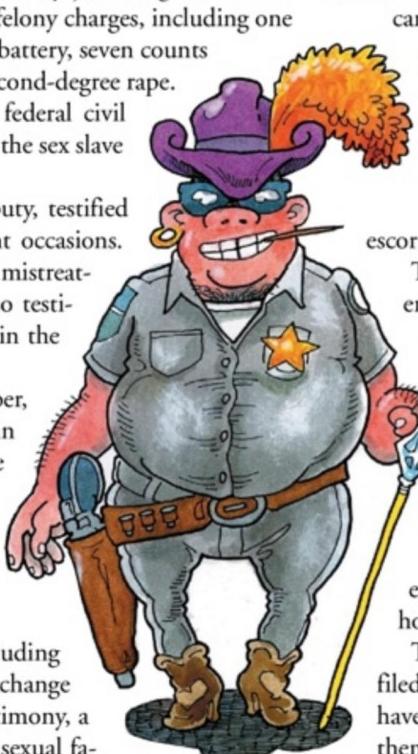

These benches have numerous small holes, one of which Xing had used to attempt to satisfy himself. However, once he became aroused he found that he was stuck and could not get his penis out of the hole. He panicked and called the police to help him.

When police arrived they found Xing

face-down on a bench, where he had been stuck for some time. Doctors arrived on the scene and tried to release the pent-up penis pressure by removing some of Xing's blood, but his penis was so swollen that rescue workers ended up having to cut the entire bench free and take it, with Xing attached, to the hospital.

Four painful hours later, doctors finally separated Xing from his bench. Doctors stated that if he had been stuck for even an hour longer, they would have had to remove his penis.

Xing said he had been in the park celebrating the opening of the Beijing Olympics. According to Chinese tradition, 8/8/08 is supposed to be a lucky day. Paraphrasing an Asian TV station, he didn't exactly get lucky, but it's one date Xing will never forget. The same TV station commented, "At least he has proved that not all Asian men are small."

Pennsylvania: State Police say former Cumberland County Commissioner Bruce Barclay videotaped hundreds of sexual encounters using cameras hidden throughout his Monroe Township home. Police say the encounters were videotaped without the knowledge of the participants, according to an affidavit of probable cause.

Trooper Bryan R. Henneman said Barclay admitted to hiring prostitutes on a weekly basis at his residence. The affidavit describes several such encounters with an Internet escort service known as harrisburgfratboys.com that provides male escorts.

The affidavit describes a hidden camera network including cameras hidden in a bathroom, bedrooms and "indoor recreational areas." Cameras were hidden inside radios, motion detectors and intercom speaker systems, court documents say.

Henneman says Barclay "admitted to using the cameras to record sexual encounters." Police say Barclay saved between 100 and 500 encounters on his computer system. Henneman says Barclay also admitted to having a camera installed at his business in Mechanicsburg. Court documents say Barclay told Henneman that one sexual encounter was filmed on that camera, which also fed into his home computer network.

Trooper Karl Schmidhamer stressed that no charges have been filed, but said state police are asking anyone who "feels they may have been a victim" of illegal acts inside Barclay's home to call them.

Buttman returns! Director John Stagliano's first new hard-core Buttman release in over two years delivers the hot asses and obsessive attention to d'tail you expect. For three hours, "Buttman's Beautiful Brazilian Ass" exposes three Brazilian babes with sumptuous *bundas*. John, who captured extended tease segments outdoors in exotic Rio de Janeiro and Sao Paolo, comments, "There are many shots that I looked at in editing and thought, I'm really glad I shot this in Hi-Def, this is beautiful." That beauty is available on standard DVD and, in an Evil Angel first, on Blu-Ray. In any format, viewers will appreciate charms that can't be found at home: "A warm, humid beach climate in a culture where the big, beautiful ass is revered," is how John sums it up.

The classic "Buttman's Bend Over Babes 3" is now available for the first time on DVD. And don't miss Claire Adams, the redhead contorting herself on the cover of this issue, in our photo set on page 18. (Those pics are from "Buttman's Stretch Class," coming soon.)

On page 46 you'll find our layout from director Steve Holmes' "Nothing Butt Fun 2," his second orgy party from **Buttman Magazine Choice**. "The biggest challenge" in shooting an orgy, says Steve, "is to get a good atmosphere, a good mood for everybody. Then it takes care of itself. I have several cameras to capture the action, but it's impossible to direct the spirit." He adds with a laugh, "Give them enough to drink and enjoy the party."

Raul Cristian's Cruel Media delivers its first BMC DVD, "Bit Butt Attack." Says Raul's editor, Mike Chapman, "The girls are all of Eastern European origin and design. Yeah, we're talkin' Eurosluts with big, sexy butts. Seven scenes in all, and each one of these girls look like models but fuck like sluts. Amen." See blonde Stacy Silver, luscious Dora Venter and slutty Misty in our "Big Butt Attack" photo layout on page 38.

BMC director H.J. is steppin' up with "Work It Work It Get It Get It 2." Raps H.J., "You gotta love this one, fam. I got 10 girls who are the newest chicks with the *best* asses and pussies *in the game!* Black-on-black and interracial!" He adds that Kelly Devine "fucked like she had lost her damn mind," and says Alannah Rae "surprised the shit out of me on how hard she liked to be fucked." He calls 18-year-old Lauren Foxx "a real freakazoid," and Charlie Chase "the finest new Latin chick in the game — period." H. reveals that big-bootied Alex Love was shy about her very first scene and her virgin interracial experience, but, "as soon as I got some dick in her, she opened up and started fucking like she was at home!"

Sometimes a director is so taken by a girl that he must dedicate an entire movie to her. Cindy Hope affected Christoph Clark that way, and the result is "Cindy Hope Is Fresh On Cock." He explains, "Very simple: I love beautiful women, and Cindy is really beautiful. My fans will see that Cindy really feels the sex. Her way to move was so different for me than the normal porno actress; she was so great. Just to look at her is really enough. If Cindy was American, she would easily be the 'Best Newcomer'."

His enthusiasm for his star is matched by his excitement about the novelty of creating this "star vehicle" kind of project. "I love to (vary) product, and 'Fresh On Cock' is something new." The title, in Christoph's inimitable style, refers to Cindy's newness to porn and indeed to prick. "We did four scenes and a solo with her," Christoph tells. "The last scene she did with four men. So good..." Miss Hope is evidently a fast learner. "By the way, next time my friend Manuel comes to visit me, I will have a nice present for him: Cindy." If Christoph thinks she's ready for Evil Angel director/performer Manuel Ferrara, his fast learner must be a prodigy!

New projects are invigorating, but some passions must be revisited: Christoph, a proven master of massive, natural knockers, busts out "Big Natural Tits 21." It offers five silicone-free scenes for those who follow the bouncing boobs. "My favorite scene is definitely Steve Holmes with Jasmine Black. The scene is just incredible. I was surprised by how Jasmine did anal with him." Big boobs and butt-sex are hard to beat, and Christoph says he's got more "nice surprises for those who love nice, natural-tit girls."

9/17 Ass Trap
10/22 The Voyeur 35

We asked director John Leslie about the title of his new DVD, "Ass Trap." He answered with the question, "What does it mean to you?" Hmm... butt that captivates, mentally and physically. "Exactly!" he exclaimed. "These asses are going to trap you!"

Buttman readers will likely be ensnared by Alexis Texas. The director was: "I think she's wonderful to look at. Beautiful face, tits, like total fantasy. Everything's there — it's a big ass, but a nice ass." Ms. Texas' sexuality seems to complement her obvious physical charms. "She likes showing her ass. She got off on the fact that I really liked her performance." That included getting off on his directorial shit-talking during her scene. "She's a joy to work with. There's something about her — you believe her." Mr. Leslie can join *Buttman* readers, who have always been true believers in the comely Alexis.

"Ass Trap" is a many splendored thing, graced by hot Bobbi Starr; Tori Black and Dana DeArmond together in one scene; and Asian beauty Priva, who teases arousingly in a bubble bath before doing "a wonderful job with a double-penetration."

J.L. delivers the 35th volume of his signature "The Voyeur" series, and he describes the action in this one as featuring "classic voyeur" scene set-ups. "There's really good voyeur scenes with the camera peeking, sneaking around and watching." Among the subjects are Tori Black. "Some angles I got of her arching her back are just fabulous. Tori Black is just sexy." J.L. and his camera follow her clandestinely as she gets her mail, then dresses for a date, dons heels, answers her door and lets her dude in. "There's real spying through panes of glass as Tori goes one-on-one with Ice Cold." Smokin' hot! The Voyeur's camera peeps on the "private" moments of Rebeca Linares, Chayse Evans, Melanie Jayne and Mackenzie Pierce too.

Porn fans love seeing lovely damsels submit to the power of cock in gag-inducing, spit-sloppy, deep-throat blow job scenes such as director Joey Silvera provides in his "Face Fucking Inc." line. For one highlight of the new fourth volume of the series, Joey tapped his private stock and uncovered footage of the stunning Gianna in a two-year-old scene he captured at the very beginning of her XXX career. His impressions of the scene had become a bit of a blur. "All I remembered," Joey chuckles, "was her tits. At that point, they were the biggest tits going." Fans of the mega-buxom star know Gianna's the opposite of a submissive pushover, so we wondered how she took to the aggressive throat-fucking. Seeing the footage again jogged Joey's memory. "She submitted, but Mark Wood," the guy charged with porking her throat, "was waiting for her to retaliate at any second. There was an awkward intensity in the room."

Priva has become a favorite of Joey's. He had her scheduled for a "Black Powder" scene, but the STD tests for the guy she was to work with didn't arrive on time. Resourceful Joey phoned Priva's private life guy to pinch-hit because he knew the real-life couple has the chemistry for hot, rough sex. This guy is himself a director and, Joey says, "a great performer." The result is another highlight of "FFI4."

For those who prefer dominant women and submissive men, Joey offers up "Strap Attack 9." Joey especially enjoyed Chayse Evans' scene with Christian. "She's an ex-Marine," he notes. He also points to Sabrina, who seems to know her way around a strap-on. "She's just a natural fucker," he says.

Coming soon from Joey: "Rogue Adventures 32" for fans of the best she-male sex in porn, and "Black Cock Addiction 5," for those who love seeing dark dicks invade Caucasian mouths.

- 9/3 Dirty Dreams 7
10/1 Rocco's Obsession With Teen Supersluts 3
11/3 Rocco: Puppet Master 2

Director Rocco Siffredi has the talent and wherewithal to make his "Dirty Dreams" into joyfully filthy reality. He turns the trick again in "DD7," with an assist from a crazy redhead whose brand of sexual mayhem has marked many of Rocco's video debauches. "Marsha Lord," observes Rocco, "is a real, authentic nymphomaniac ... *really* authentic. I know so many girls in this business, but few like her. I wish I had more Marsha Lords in this business!" He mentions that Marsha might be coming to the U.S. to work in porn productions here, but until then we've got Rocco's dreams-cum-truth.

Not all the women in "Rocco's Obsession With Teen Supersluts 3" are exactly teens — every scene *has* teens, but they're joined by some gals who are old enough to be their mothers. "About the older babes," Rocco comments, "of course it's a different point of view, but I love to put the 'teenies' with more experienced women. I always see contrasts; anything I do, I do it in two colors, two sides." And were the director's artistic sensibilities realized through this juxtaposition of maturity? "The teens are great, and better with the older ones together," says Rocco. In this issue we've got two photo layouts from "ROWTS3" — see Lauryn May and Gina on page 56, and find Nesty, Ester, Carla Cox and the notorious Marsha Lord on page 85.

Rocco's newest series will be the repository for his most artistically inspired pornography, as evidenced in "Rocco: Puppet Master 2." "'Puppet Master' is my new, main line," Rocco states, calling it, "sexually very important, like the 'Animal Trainer' line." But there's more than searing sex and involving storylines going on here: "'Puppet Master' is a different approach, a little bit surrealistic; true and real without any script, and with real people, not just porn stars." He emphasizes that even as he creates some illusion and surrealism, he means to maintain "true and real sex, and not fake sex." Rocco feels it's important that in this line "there are not just one or two highlighted sex scenes; all of them have to be good, very good." Indeed, he likes the entirety of "R:PM2" too much to nominate any single highlight. We've always known Rocco is the master!

- 9/26 Foot Soldiers DOUBLE-DVD
10/24 Butthole Whores 3
11/19 Odd Jobs 4

In any great Belladonna movie, she's more than the director — as in "Butthole Whores 3," where she endeavors to live up to the title. Talking about this movie, her excitement isn't just over having her own pretty ass reamed, but about the wonder of creating a nasty and very new project. "Oh, it's awesome!" declares Bella. "It's not the same as the [‘Butthole Whores’ volumes] before, because I get bored. I don't want to do the same shit all the time, it bugs me." Rather, she's tried a new wrinkle for expressing her love for rectal recreation. "Each scene is one girl's secret diary of being addicted to anal sex." She aims to "let people witness a day of each girl's addiction." In "BW3" not all of the novelty for Bella is psychological — an arty technical aspect is her use of a hand-held camera for the scene set-ups. As for the girls, she reveals, "I really like Rucca Page and Dana DeArmond. Missy Stone is really good; she impressed me getting into her role." But what about Bella's own on-camera role, performing with James Deen? She modestly demurs: About whether she lived up to the title, "You'll have to ask someone else." No, Belladonna, we don't have to ask.

"Odd Jobs 4" is the latest in Bella's series dedicated to "girls with great feet giving the best hand jobs, blow jobs and foot jobs. In this release we have Brianna Love, Katja Kassin, Bobbi Starr, Crissy Moon, Marie Luv and Kimberly Kane. And bonus solo scenes with August and Sammie Rhodes."

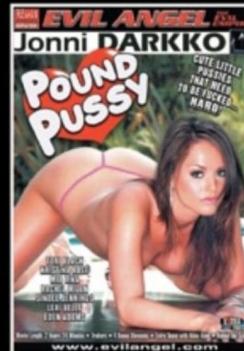

With Belladonna's diverse body of DVD lines — the two mentioned above and others like "Fetish Fanatic," "Fucking Girls," and "Manhandled," we wondered how she decides what to work on or release next. "We have no madness to our mayhem," says the clever director. "I guess it just kinda alternates with whatever has been lacking in a particular series, or whatever we're horny about at the time of scheduling. Do we wanna see women giving foot jobs, or something out of the ordinary for 'Fetish Fanatic,' or do we wanna see a girl get roughed up for 'Manhandled,'" or girls who love girls for 'Evil Pink?' It's all in what we feel at the time."

9/15 Pound Pussy
10/29 Bet Your Ass 6
11/21 Sloppy Head

Here comes another interestingly titled DVD from director Jonni Darkko, "Pound Pussy." Seems the "Pound" he's referring to could be a noun or a verb. Explains Jonni, "I just thought about 'pound puppies,'" — like wayward strays — and "young girls getting fucked really hard." Indeed, "there's not a whole lot of female domination in 'Pound Pussy,' but there is a lot of male domination."

So whom did he love? "Tori Black is off the fuckin' hook," Jonni gushes. "She loved Sean Michaels." He cites Mia Lina's fine performance. "Lexi Belle's phenomenal — bubbly, cute, but she really takes it and loves what she does, and it shows." The one scene with a literal "Pound Pussy" reference stars SinDee Jennings in a "cool scene in a dog cage." He might have said SinDee's performance was "off the leash."

For the butt men among us Jonni throws down "Bet Your Ass 6." And whom among the cast might Buttman be most drawn to? Jonni says the video's roundest ass and most genuine sexuality is portrayed by Kristina Rose, whom he calls, "just a dirty, little girl. Beautiful!" (We'll have to see if Buttman himself agrees...) But Jonni's own favorite scene stars beautiful Jenna Haze and playfully darling Emma Cummings. Jenna must have been a fine influence on Emma; it's Jenna who often says she prefers anal sex to vaginal.

MANUEL FERRARA

RELEASE DATES

9/22 Evil Anal 7 DOUBLE-DVD
10/17 Slutty & Sluttier 8

Planning an "Evil Anal 7" scene for Lexi Love and Mackenzie Pierce, director Manuel Ferrara was naturally inspired to convey Lexi's happy spirit. "I wanted to make it look fun," he recalls. "David Perry and I arrive at a big house and see two girls running naked, being chased by a naked guy. We go in and they are just playing with water guns. I like the energy, with people fooling around outside and having fun." The sense of fun for viewers will be heightened by "a lot of anal sex," says Manuel. "Really good sex and really good energy."

Little is as much fun for viewers as when a director captures genuine lust in a scene, as opposed to porno fakery. And for that, Manuel says, "Phoenix Marie is always good; really into fucking." The lust factor was especially high for his scene with Melissa Lauren. "She's always really good, but we hadn't done a scene together in two years, so that was really fun, getting together again." Absence makes the cock grow fonder...

Turning to "Slutty & Sluttier 8," Manuel talks about the thrill of shooting Francesca Lé. "Incredible! It was great for me to shoot her because I was a big fan when I was watching her movies, before I was ever in porno. It was like when I shot Tiffany Mynx — I was always a big fan, and finally I can shoot her. That's always incredible." He captured Francesca having some girl-girl power exchange fun that becomes a threesome when Ian Scott steps in.

Manuel enjoyed more than just shooting Jandi Lin. "It was completely outside, which is fun. Jandi was Jandi, which means incredible sex."

See pics of bossy, dominant Savannah Stern in Manuel's "Fucked On Sight 5" on page 61 of this issue.

"Teens Corrupted 2" brings porn neophytes, and cavorting for director Jake Malone's watchful camera can inspire a girl to a new level of eroticism. "In this episode of 'TC,' the girl who reached the farthest was Sierra Snow," reports Jake. "She was *really* new — this was maybe her fourth scene — and being confronted with my cock, Justin Long's *huge* cock, and then three more huge, black cocks to service orally and drink all that cum was *way* beyond anything she had ever experienced. It's always fun to watch new girls experience a scenario, as opposed to imagining or talking about it. The wide eyes when they first see and hold a huge, black cock ... the magic words, 'That's the biggest dick I've ever seen' ... priceless."

Of course, some teens come to the set already quite well corrupted. "Alexa Benson had obviously worked through some of her 'big cock in my ass' obsession before I shot her," Jake recalls. He says Alexa "devoured the three strangers' cocks that she was offered after the fuck scene" and calls her a, "smart, beautiful and classy young girl who knows what she likes and has *no* qualms whatsoever about taking it ... in public ... from strangers. Again, priceless."

Next on Jake's nasty agenda is "Gang Bang My Face 4." Not just every girl will volunteer her face and throat for a multi-cock fucking, but Jake has insights into those who *are* into it: "It may be an extension of the very common 'rape' fantasy many women have. They don't want to be raped in a real sense, but they find erotic freedom in the make-believe dynamic of, 'They're *making* me do this, so I can be a complete pig and it's really not *me*.' Or, being teens and naively fearless, maybe they think, if one dick is fun, three will be three times as much fun! These kids today are different than when I was a kid, and I am often amazed and inspired by their adventurism." We second that motion, and feel the same way about adventurous erotic filmmakers like Jake Malone.

Some butt men love the shape of a rump; others obsess on the plumbing between the cheeks. The proctologically minded have a hero in director Jay Sin, the auteur behind the "Gape Lovers" series. "Madison Ivy had the best natural gaping skills in 'GL3,'" says the expert. "When I was shooting solo pics of her spreading her butt, her little asshole opened right up and stayed open. I was very happy and excited to see this, 'cause this was her first time doing anal. I felt very lucky that day!" See our layout of Madison and Jenna Haze in "GL3" on page 5 of this issue.

All this talk makes us wonder what a girl actually feels when her asshole gapes. "Girls say gaping feels like their holes are opening up," reports Jay. "It's a relaxing feeling of spreading the ass wide as your partner pulls out an object, and the open hole enjoys it and stays open for more. Girls who like anal sex more have bigger gapes 'cause they love the feeling of the in-and-out action making a bigger gape. My type of girl!"

So "Gape Lovers" could refer to porn fans as well as directors who lust for gaping buttholes, but the title best describes the girls themselves. Jay says that when he has more than one horny girl in a scene, he sometimes finds girls getting as turned on as men by seeing another girl's asshole gape. "I have seen this a lot. I like to pair up girls who love to rim open buttholes, just to see how they respond to a huge gape. It's like kids in a candy shop. Yummy yummy!"

Jay's "Anal Acrobats 3" highlights fun stunts that can lead to the yawning rectal caverns — he shoots open-minded, open-assed babes taking toys in and out of their sphincters in graphic ways. "'AA3' has some of the biggest balls yet," promises Jay. "Some real, good anal ball pushing is in this one. Balls the size of your fist, apples and golf balls mixed in with your good gape rimming makes for a very fun cast with some very nasty acts!" That fun cast makes for nasty magazine layouts too — see Tori Lane and Ariel X in "AA3" on page 103.

Our newest director, B.Pumper, brings some urban flavor to the Evil Empire, but his tastes don't run to any one ethnicity. "Juicy Latin Coochie" is his paean to the *señoritas* and *mamacitas*. "I love the skin tones of Latin women," explains Pumper. "I love the natural, beautiful hair Latin women have. And my sexual experience with Latin women is that they have very juicy pussy and never seem to need lube." That experience includes *caliente* sessions for "JLC." "I had fun with Katie Cummings and Canella Diamond. Paris Mayne was fun ... really wild." See our pics of Luscious Lopez in "JLC" on page 26; our "JLC" layout of hot Katie Cummings comes along on page 116.

Pumper brings the fifth volume of his "New Lil' Freaks Get It Poppin'" series to EA fans. Creating a video dedicated to newbies can mean the unexpected for a director, so we asked Pumper if "NLFGIP5" yielded any surprises. "Yeah," he says. "It's not expected for new girls to be animal performers straight out of the gate. Some claim to be nervous at first, but once you get the cameras rolling, [a new girl] can turn out to be a beast, a champion." Trina Black and Lena Moore surprised Pumper with their championship performances in "NLFGIP5."

Another established title Pumper brings to EA is "Gape Man," with "GM2." In our continuing effort to give *Buttman* readers every possible insight into the talents and techniques that make pretty tail-ends open up wide for the camera, we asked Pumper if he has any tricks for making assholes gape big. "I can't reveal 'em," claims Pumper, "because of the gape competition out there!" See? When un hindered by onerous government intervention, competition leads to innovation, and the marketplace better serves the public's needs — in this case, bringing XXX fans ever greater intestinal depth. God bless America!

10/13 Made In XSpaña

For his newest release, "Made In XSpaña," director Nacho Vidal got to work in his homeland of Spain. Maybe those who say you can't go home again ought to try bringing a video camera and a huge, hard cock. Nacho especially enjoyed his "homecumming" when he was working with Sylvia Rubi and "the other girl" — apparently things were too intense to dwell on the trivia of formal introductions. "Both girls wanted to fuck for a long time," Nacho explains, adding that it was each girl's "first time with a girl." He also cites the scene starring Michelle, "a Cubano in her first scene. She'd never done any porno. It was just an incredible scene, just having fun. That was really the best." When you're dick-deep in hot girl flesh, who can keep track of details?

"Made In XSpaña" is Nacho's first male/female release since "Made In Brazil," so we wondered how the girls from each country compare. Besides the fact that Brazilian girls speak Portuguese and Spanish girls speak Spanish, Nacho says, "the only difference is that they're from different countries. But they all are fucking awesome. I chose all of them with my finger — they're all so fucking hot." Well, that probably wasn't his finger he was pointing at them with.

Now that he's recently made big porn movies in Spain and Brazil, we wondered which locale he would next like to shoot in, if he could go absolutely anywhere. "United States," he answers, apparently not so impressed by shooting porn in exotic settings. "American girls for me are the most real. When working as an actor there, I had so much fun." Home is where the hard-on is...

9/12 Slam It! In A Young Whore
10/10 Pervertz

New Harmony Video director Dave West dives straight into the fray, helming the latest in the British company's "Slam It!" series, "Slam It! In A Young Whore." Among the young whores getting slammed is the precious Sasha Grey. Comments Dave, "I've worked with Sasha before, but every time I do it's obvious why she won the AVN Female Performer Of The Year award. She is a very beautiful girl who looks so sweet, but she absolutely loves hard sex, and it shows in her scenes. At one point during her scene for "SI!IAYW" I had her lie back on a leather bondage seat with her head hanging off while one guy fucked her pussy and the other guy fucked her mouth. The guy was really driving his cock in her mouth up to his balls. Her make-up was running, eyes watering and she was slobbering all over his cock. He pulled out after a long period of deep-throat and she gave me a little grin as though she couldn't wait for more. Sasha is just incredibly intoxicating, and this scene is no exception." Dave also recommends a scene with "the incredible Alexis Texas" bound and gagged in a warehouse, and a double-penetration of "the very petite Priva in a bathroom where she just went insane fucking two large guys, even doing a standing DP before collapsing in exhaustion." Wow.

Harmony director Tanya Hyde returns with "Pervertz," which she calls, "the usual Tanya Hyde nonsense of four twisted vignettes." Among the moments that stirred her: "Sofia Valentine is ravished by predatory freaks in the nightclub from hell and fucked in the ass by an enormous dildo worn by Strap-On Jane. Gianna is a grease covered factory girl — she and Rebecca Jessop oil up each other's enormous tits for a slippery session, and Gianna is finally fucked in every position by the factory studs while the machines carry on around them. A gay leather men's room is the setting for Suzy Best to be abused by an American cop. Jasmine is fucked in a sling." Pics on this page portray a provocative scene starring Keisha Kane and Amber Leigh, which Tanya calls, "two rubber nuns working their way through the sins list as good Catholic girls should." Amen to that.

Discovering Jennifer

Jared jumped out of bed with more agility than Jennifer could've managed at that early morning hour. "Want some wine?" he asked.

"Yes, please," she smiled, reflecting that *he* hadn't just had about 18 killer orgasms. Hell, he hadn't even had one yet!

She's fun, he mused as he poured the two glasses of cabernet. She really took off when I put her legs over my shoulders and fucked her deep. Now the real test begins...

"Thanks... What time is it?" she said, running a hand through her thick mane of auburn hair.

"About two."

"Are we ever gonna sleep?" she smirked.

"When you've earned it. Roll over."

She took a quick gulp of the excellent wine and obeyed, turning tail-side up. Letting him guide her into position on all fours, Jen snuck another sip before putting the glass on the nightstand. It was a good thing she was braced for it, for when he slid back into her wet vag it rocked her world. "Oh, God..." she softly gasped.

"Just what I was thinking; I was thanking God for creating such a magnificent ass," Jared half-groaned.

"It's too big!"

He gave her a sound slap on the round right cheek of said ass.

"Watch it; you're talking blasphemy when you insult such a beautiful thing. That is the altar where I worship, my dear," and he rubbed the persistent red handprint that clearly stung where he'd smacked her.

Jennifer didn't feel comfortable sharing the fact that Jared had just practiced her own devout religion. She wondered if he could tell how much wetter she'd gotten after that single, sweet spank.

Her heightened arousal served her well because he persisted to wax poetic about her big butt, a subject she found unfathomable. Why did some guys find a woman's caboose the be-all and end-all of eroticism? Jen got stared at wherever

she went; had to put up with ceaseless come-ons.

At least Jared had shown his sense of humor then, when he'd first approached her at the club about four hours before. What did he say? Something like, "One-ton polar bear." Jen had looked at him quizzically, and he'd replied, "That's my best ice breaker." That's what had clinched the deal, his sense of humor, that was why she went home with him. That, and his good looks and bulging package.

God, the guy knew how to fuck! She felt another climax, like a rain-sodden storm cloud darkening her horizon. Jen breathed deep to encourage the formerly fickle thing to stick around and not float away. What was it about Jared that brought her off so well and so frequently?

He saw her through the cataclysmic climax with a burst of short, choppy thrusts and then settled back into a steady rhythm of long strokes so that she could re-gather herself. He drove into her until his balls clanged against her pussy like a clapper ringing a bell; withdrew until his cock head breached her hole, causing her to shudder as if she was a ship at the crest of a mighty ocean wave. Jared had once crossed the Pacific on a sloop with rich friends and had experienced that tremulous tremble at the pinnacle of each rolling wave. He'd been seasick then, but was in his element now. He fucked the pretty brunette hard, 'til she gasped, 'til she cried out, 'til she answered him with another wracking orgasm.

In the lull before the next storm he spit on his fingertip, and as he touched the delicate, pink-petaled rosebud between her cheeks, inquired, "D'you mind if I touch you here?" Jennifer sighed her ascent, so Jared re-lubricated his fingers and pressed the issue. "You probably don't know it, but you've got a perfect, little asshole," he complimented. Jen thought about how she'd had the area waxed while at the salon the other day; it was a spur-of-the-moment thing then, as she was having her pubes bikini-waxed. It felt like 50 extra bucks well-spent now. "...so many nerve-endings here, yet some girls are squeamish about being fingered up the ass..."

"Your finger feels fucking phenomenal..."

Please keep that up," she gushed, after releasing her bite on the nearby pillow to weather the rising tumult.

Jared saw his opening, as well as the puckered, little orifice before his eyes. "If you like being fingered there, d'you think you might like to try anal sex sometime tonight...?"

She hesitated. He was wearing a condom, but she'd only just met the guy. He was a superb fuck, but it had hurt so much the only other time she'd done the deed. Of course, that was with Dave, the boyfriend Jen had just broken up with, the reason she was out celebrating at the club tonight, and Dave wasn't nearly as good in bed as Jared. Of course, Dave wasn't hung half as well as Jared, either. Would this guy even fit back there?

Jared sensed the hesitation. He stopped thrusting. "That's okay, Jennie, I shouldn't have asked." He started to slowly withdraw. "Why don't we take a little break...?" He was out of her now, leaving her sex feeling incredibly empty. He lay beside her, a slightly wounded look on his gorgeous face. His manhood stood there like some fucking flagpole, so stiff and tall, the condom wrapping on it looking frazzled and bedraggled and discontent. And by contrast, Jennifer felt so fulfilled, as if some condom-like balloon had been inflated inside her sex, and another in her head, and maybe one starting to expand in her heart.

"No, no ... I want you to cum ... I want to satisfy you at least a bit as much as you've done me... Let's try it ... that is, if you have some lubricant?"

His brow unfurrowed as he took her hand in his. "I have this stuff, Astroglide, that I think you'll really like ... if you're sure you'd like to..."

Jennie tightened her grip on his hand to convey the sincerity of what she was about to say. "Be gentle ... and, um, listen... If I do this with you on a first date, I'm gonna feel really guilty afterward... and I know a sure-fire way to appease my guilt ... if you're interested...?" He looked into her eyes unblinkingly, openly, and then nodded ever so slightly. Jen couldn't help herself, he just looked too cute; she kissed him long and deep before revealing her heart's desire. Then,

when her breathing returned to near-normal, she confessed. "When I joked about my butt before ... and you spanked me ... I really, um, need to, er..." She couldn't finish the sentence; it revealed the nude girl's psyche too nakedly.

Fortunately, Jared was on her wave-length, and was even practiced at a bit of role-play. His voice took on a tone of seriousness. "You'd really need to have your conscience cleared by being taken over my knee and spanked good and hard for being so nasty."

"Yes, Sir," she uttered, as if saying amen to a life-long prayer.

"I only ask that you give me a little time after we do it and before you're punished, because focusing on your gorgeous ass with a much-deserved disciplining is going to make me want to fuck you again..."

Jen couldn't find words to respond; he'd just said everything that had been in her fantasies since puberty. She merely got on her knees on the bed again and stuck her bottom out invitingly.

Jared reached into the nightstand drawer and took out the tube of lube. Jen took the opportunity to finish her glass of wine, swallowing a second before her voice box had to encourage what his talented finger was doing to her rectum. The Astroglide stuff was slick, a lot better than what Dave had used the last time. When Jared had coated her rear entrance, he anointed his erection, then placed the latter against the former. "Just hold still," he instructed kindly.

"Do you want me to push back...?"

His tone was still warm, "No, I want you to hold still. The sphincter tenses up when confronted; just give it a minute to..."

"Have you butt-fucked many women?" she interrupted. The question caught him off guard. If he answered one way he seemed a braggart; the other way and he seemed a novice, as well as becoming a liar. "You just seem awfully good at this," Jen continued, "as if you wrote a book on the subject."

"If you want to read a sizzling-hot book about the joys of anal sex from a female perspective, pick up *The Surrender* by Toni Bentley..."

Jen was basking in the warmth of finding a guy who was well-read, a great fuck, cute, and available when she realized that his cock head was effortlessly inside her anal ring. Jared was saying something about her bubble butt and how erotic it was, how spherical. She could have chosen to argue, to inform him how tough it was to find pants that fit her slender waist and her huge hips, but instead just exclaimed, "You're in! You're up my butt!" Jennifer opened her mouth wide,

mimicking what she wanted her asshole to do, and his thick shaft slid easily in her tiny chute. She'd never think of her backdoor the same way again. This wasn't painful, just a little challenge to transform the intensity into something wholly pleasurable. Jared was busy going on about how the term "butt-ugly" was such an oxymoron: She had to smile both at the content of his rant and the fetishistic devotion with which he voiced it. She caught herself incongruously smiling broadly while taking it up the most private place on her body. Jen frigged her throbbing clit and the experience turned 180 degrees, from an intense challenge into something sinfully holy and divinely decadent.

"Oh, God..." she whimpered as her hips fell into the slow cadence in synch with his plowing of her backside. The cadence increased infinitesimally, and with it, the sweet friction that was

orgasm she'd ever experienced from the locus of her vag had felt like an explosion outward, like that thunderstorm had caused a million butterflies to take flight and stampede from the pit of her stomach out her twat. This one, centered in her bowels, felt like an implosion, like one of those huge high-rise hotels being dynamited from within.

When he thought he'd given her enough time for the sensations to pass, he panted, "How ya doin'? I mean ... can I cum too...?" For the first time, urgency tinged his voice.

"I'm great! I've never felt so...! I wish you would cum inside me, Jared," Jen breathed, feeling the feminine triumph of eliciting a man's ejaculation. Before all the words were out of her mouth she felt the hot spurts jetting through his member deep within her rectum.

They lay together in a sweaty tangle, silent except for both sets of ravaged lungs hoarsely respiring. Then he slowly extracted his prick from her patootie. A whole flock of goose bumps took flight across every inch of Jen's epidermis, followed by her eyes filling with tears until her long lashes could barely blink the floodwaters back. He cuddled her and the vulnerability of the moment slowly passed. She couldn't look him in the eye, so raised her head from where she'd hid it against his collarbone, found his mouth and kissed it passionately. With her senses thus preoccupied, he surreptitiously removed the so-full condom, twisted a knot in its tail and dropped it under the bed. He then caressed her tail with both hands, rejoicing in the silken smoothness of her skin, the heft of each hind-end half, the fullness of all her fulsome charms. Their splendor re-aroused his interest, and he knew it was time to switch gears.

He pulled his mouth from the delectable delight of hers. "Cumming so wantonly while being fucked in the ass; wouldn't your mother be proud?" A new quality of cynicism colored his voice, so unlike everything he'd said to her up to that minute; Jennie's head spun momentarily. "You lascivious thing, get over my knee for your comeuppance this instant!" And in a flash she got that he was only doing what she'd asked, and doing a marvelous job of it.

She scrambled to stretch out her nude form across his lap, hands on the floor at one end and toes digging into the carpet at the other. His left hand rested on the small of her back, effectively pinning her in place like a bug displayed on some

setting Jen's libido afire. In and out, but unlike in her vag, the strokes didn't sink in up to his balls nor withdraw to that helmeted head. Nonetheless, Jen felt alarmed by a sudden urge. "I think I'm gonna cum!"

Just as solicitously as before, Jared said, "It's okay, relax and let it come. Just don't bear down like you did on my finger or you'll hurt yourself. Let the orgasm come like a wave and sweep you away."

"I'm gonna cum," she cried again, desperation in her voice. Her fingers flicked at her clit, her hips bucked beneath him. He grabbed her pendulous breasts and tweaked the hard nipples, and felt the girl stiffen and then crumple slightly. A small sigh escaped her pouting mouth. Every

science project. His right hand wandered over her upturned bum, caressing the cool flesh, pinching the pulchritude, parting the orbs to glimpse the deep valley between.

"It hurts me to have to blemish this perfect bottom with a beating, but your behavior demands it," he pronounced, ready to administer her punishment. His choice of words rang a responsive chord in the girl raised on romance novels; the strong slaps to her buttocks resonated not only there, but in her submissive soul. He spanked her hard, long, and mercilessly. He covered every square inch of her very round backside with wallops. He made her whimper; he made her beg.

"No! No! Please!" she mock-protested. His only answer was the repeated return of his stern right hand.

At one point he caught her unabashedly rubbing her pubis against his thigh in synch with the paddling. His tingling hand explored downward, felt between her thighs to find her absolutely dripping with arousal. "My hand doesn't seem to be doing an adequate job of disciplining your unbridled desires. Maybe my leather belt will..." he improvised.

Jen looked up at him with unmistakable lust burning in her eyes, and he knew that his instincts were right. "Kneel on the bed as you did before," Jared commanded.

Jennie hastened to obey, putting her big bottom high in the air and sticking it out obscenely, hiding her face in a pillow, and then finally putting her right hand over her exposed pussy, where three fingers sunk into the wet folds as if melting. Meanwhile, Jared pulled his belt from the loops of the pair of pants on the floor, and fished an unopened condom from the pocket. The foil he tossed on the bed next to the girl; the leather implement he wound around his knuckles.

"You're gonna get 12 strokes with the belt, and for the last eight of them I'll let you touch yourself," he declared, relishing the sense of power that she'd bequeathed to him. "But for the first four you'll have to take your hand out of the cookie jar..."

She slowly and reluctantly pulled diddling digits from out of her pink pudendum. "Put both hands on the sides of your ass cheeks," Jared instructed. She complied. "Part your ass cheeks wide... I'm gonna strap your butthole...", and he choked up on the strap by winding it around his hand another turn.

He looked at the beautiful sight: her fleshy fanny presented and parted, her innocent rosebud winking at him. It was pinker than when he'd first impaled it, but otherwise, none the worse. The vision made him hard. He gave her four sharp, quick licks with the leather across the nether valley where her rear dimple resided. She flinched and yelped, but took her prescribed medicine well. As if on cue, she released her grip on the mounds of muscular baby fat, and her

buttocks closed like a curtain over the offending orifice, whereupon Jared visited the lengthened belt across her wobbling orbs another eight stinging times, Jen masturbating furtively beneath the bouncing buttocks all the while. Her outcries rose in pitch, and after the last of the 12, the submissive sweetheart's pose crumpled and trembled. If he hadn't known the girl as he had come to, Jared would have thought she was sobbing. He realized that she had instead orgasmed yet again, this time from her urging at the strap's insistence.

His erection stiffened all the harder and vibrated with need. He barely had time to sit on the bed before the girl was all over him, kissing his mouth, thanking him for the whipping, rolling the condom over his cock with her warm and deft mouth. She straddled him and sank her drenched, hot pussy onto his throbbing length. She rode him like that for a lurch or two, and then had a thought.

"I bet you'd enjoy the 'reverse cowgirl' position more, knowing your tastes." Jen raised one leg high and spun around on his pole like it was the axis of their Earth, then sank back down, her robust, flexing butt cleavage now splayed for his view. She "pogoed" on his stick with the energy of a schoolgirl, as if it weren't four in the morning.

The sight drew his hands to her incredibly jutting and incessantly jostling ass cheeks. His fingers traced the welts his belt had cut into her previously pristine posterior, and Jared felt a pang of guilt. "I whipped you too hard," he said with remorse.

"You whipped me just right! I loved it! God, didn't you see what it did to me?" And as she uttered this, Jennifer increased the tempo of their tango, remembering the sting he'd put in her tail.

"Yeah," he said, replaying the memory of her crippling climaxes, "but I also see what it's done to your beautiful butt."

"Marks will fade..." she scoffed, slamming her sex onto his.

"You sure?"

"Yes! You know butt-fucking, but I know butt-beating. And until they do fade, they'll turn me on like nothing else. I'll be masturbating like a madwoman." Jennifer froze her frenetic movement and looked back over her shoulder. She pried open her left cheek, giving him a good glimpse of her o-ring, then vigorously slid up and down on his piston once more. "Like I said ... those belt welts drive me crazy for sex..."

"God, you are nasty, aren't

you?" he accused admiringly.

"You have no idea," she shot back, then arched her ass out so his exploring hand could venture to her gaping anus. His other hand snuck around to the front and tickled her clitoris as she rode his dick hard. She tried to stave off the impending orgasm to tease him, but lost the battle. He found her efforts both admirable and quite salacious. The conflagration of a climax that his skillful hands and her expert bareback riding technique elicited in her was awesome to behold, so profound that as Jennie erupted, she sucked the spunk right out of Jared, and they groaned and bucked and squealed and whinnied in unison.

He invited her to sleep with him and then stay for breakfast, which they ate at 2:00 p.m. the next day.

ON THE ROAD WITH UNCLE D

OH CANADA!

I'm back with more ASS!

It's kind of "hard" not to "stand on guard for thee" when these two Canadian delicacies are wearing my homeland's colors ... red, white and TIGHT! :)

I celebrated the summer sizzle with a "Smother Me" wiggle, photographing ass on the home front with Ariana Diabla (from "Smother Me 2") and my new booty model, "Bubbles." As you can see from the stretch of the jeans when she bends at the knees, the name applies ... Uncle D-Style!
